

Behaviour Statement

“You can always choose to act with integrity because you control your own behaviour.”

Fred Kofman

“You can’t teach children to behave better by making them feel worse. When children feel better, they behave better.”

Pam Leo

Good behaviour in school enables children to learn. Our school aims:

- to create a safe learning environment where all pupils feel happy, confident and valued, and are therefore able to achieve their potential
- that pupils and staff have positive relationships and treat each other with care, tolerance and respect
- that pupils learn to take responsibility for their actions
- that pupils act with integrity and develop empathy with others
- that pupils demonstrate positive attitudes to learning and always try their best
- that pupils show care for the school environment and look after equipment and their own and others’ possessions
